- 20'den fazla ülkeye ihracat
- Türk Millî Savunma Sanayisinin onaylı resmi tedarikçi firması

## о нас

Kumpas Dövmе Steel Forging Co. была основана в 2005 году в Конье, Турция, как компания, предоставляющая решения для горячей штамповки в качестве субподрядных услуг.

Постепенно компания разрослась и начала разработку и производство систем сцепления седельно-сцепных устройств и компонентов для грузовиков и прицепов, которые продаются под нашей торговой маркой Maxiforge.

В настоящее время Maxiforge расширил производство и создал новые продуктовые линейки и хорошо известен высококачественной продукцией в отрасли запасных частей для коммерческих автомобилей.

Наша компания состоит из более чем 80 сотрудников, в том числе 8 инженеров и 8 производственных групп, которые выполняют все производственные процессы на нашем производственном объекте площадью 10 000 м<sup>2</sup> с производительностью 750 тонн в месяц.

Мы не имеем себе равных в Турции с точки зрения качества и сертификации, у нас есть несколько сертификатов ISO за превосходство в управлении, а также признанное одобрение типа транспортного средства, более известное как «Знак E11».

Наши конкурентные преимущества:

- Ведущие производители запасных частей и шкворней пятого колеса
- Короткие сроки выполнения
- Гибкая система заказов
- Высокое качество продукции по низким ценам
- Используется высококачественная сталь (4140)
- Эффективность. Никаких дефектов не производится
- Все болты эквивалентны OEM
- Стальные детали проходят термообработку для увеличения срока службы.
- Постоянная разработка новых запчастей
- Организованная складская система для крупных заказов с короткими сроками выполнения
- Известный бренд в нескольких регионах
- Экспорт в более чем 20 стран
- Официальный поставщик стальных поковок Министерству обороны Турции

## ABOUT US

Kumpas Dövmе Steel Forging Co. was established in 2005 in Konya, Turkey as a company that provides hot forging solutions as a subcontracting service.

Gradually, the company grew larger and began development and production of Fifth Wheel coupling systems and Truck-Trailer components which are sold under our brand, Maxiforge.

Currently, Maxiforge has expanded into other product ranges, and is well-recognized as a prominent brand of a tier-one manufacturer in the commercial vehicles spare parts industry.

Our company consists of more than 80 employees, including 8 engineers and 8 production teams, who carry out all of the manufacturing processes in our 10000m<sup>2</sup> production facility, which has a capacity of 750 tonnes per month.

We are second to none in terms of quality and certification, we own multiple ISO certificates for excellency in management, as well as the acclaimed Vehicle Type Approval, better known as the 'E11-Mark'.

Our Competitive Advantages:

- Leading manufacturers of Fifth Wheel Spare Parts and Kingpins
- Short lead times
- Flexible order system
- High quality products at low prices
- High quality steel used (4140)
- Effectively no defects produced
- All bolts are equivalent to OEM
- Steel parts are heat-treated to extend lifespan
- Constant development of new parts
- Organized stock system for large orders with short lead times
- Renowned brand in multiple regions
- Exports to more than 20 countries
- Official supplier of steel forgings to the Turkish Ministry of Defense
